Minimum Balance to Open is \$5,000 in “new money” or a transfer from an existing “No-Penalty CD” for 18 or 36 Month C.D. New Money is defined as money not on deposit with Porter Bank or deposited within 90 days prior to account opening. Early Withdrawal will reduce earnings and is subject to penalty. The 18-month CD will automatically renew in 24-month intervals earning the then current APY of the Traditional 24-month CD. The 36 Month Special CD will automatically renew to a Traditional 36 month CD.

*Annual Percentage Yield (APY) assumes principal and interest remain on deposit for the term of the certificate and quarterly compounding.
