Porter Bank Customers,

Today, Governor Eric Holcomb announced a **Shelter-in-Place Order** for Hoosiers. Effective March 25 through April 7, travel will be restricted except for essential services only, **which does include Financial Services.**

Porter Bank will continue to operate full-service via our drive-up facilities, ATM, Digital Platforms (Online and Mobile Banking) as well as telephone and email.

We began using a staggered staffing schedule March 23<sup>rd</sup> to enhance the social distancing directive. Additionally, many of our employees are working remotely. We are asking for your understanding and patience during this challenging time. We are making every effort to address your banking needs in an efficient and thorough manner, just without the face-to-face contact.

Further, we encourage you to reach out with any questions or concerns you have regarding the need for a debit card, overdrafts, loan payment deferrals, etc.

Thank you for your cooperation. A complete list of our departments and employees with their email addresses, phone number and extension are available on our website: [www.porterstatebank.com](http://www.porterstatebank.com) .

Or simply call one of our offices.
